Skill Development Basketball League Registration Form 2019

The Point General Basketball Fall Skill Development League in Partnership with Hamilton East Kiwanis Boys and Girls Club is an 8 week program that lays the foundation for individual athletes to progress their athletic development in a fun, engaging, and competitive environment. Each week includes one skill session and a minimum of one game.

The basis of the league is to use individual skill development as the stepping stone that leads to both individual and team growth in basketball and leadership while giving athletes the optimal path towards long-term development and success in life and sport. The Boys and Girls Club and PGB believe in sport as a resourceful tool to help empower our community leaders of the future. It is our goal to instill athletes with the physical and mental confidence that will lead them to future success in all aspects of life.
