

Who Are We?

About Boys & Girls Clubs

As a leading provider of quality programs for children, youth, adults and families, Boys & Girls Clubs offer transformative experiences that are affordable, accessible, and reliable with a focus on learning and skills development. We are proud of our history of leveling the playing field and providing opportunities for members to discover, develop, and achieve their full potential by supporting their healthy physical, educational and social development.

Our highly trained staff and volunteers are caring role models who use an individualized, strength-based approach and engage our community to play, learn, and develop essential life skills. We create caring environments that are safe, supportive, inclusive, fun and stimulating. We challenge developmentally-appropriate growth, and encourage healthy, respectful relationships.

Our Clubs are located in neighbourhoods where they need us most. We emphasize flexible programs based on local needs, the interests of members, and the diversity, character, and identity of their communities.

Belonging to the Boys & Girls Club can be life changing.

We are excited about our merge with HARRRP. This is an opportunity for us to, together effectively and efficiently serve our communities. We are proud and excited for our journey together to make Hamilton the best place to live, and raise a child.
