

Fizzy Cloud Dough

Ingredients

- ½ Cup of Flour
- ½ Cup of Baking Soda
- 2 Tablespoons of Oil
- Food Colouring
- A Squirt Bottle with Vinegar

EASY AS 1, 2, 3

Directions

- First you need to mix the oil and coloring.
- Add the 2 tablespoons oil and about 5 drops of color in the bowl and mix.
- Next add the flour, mix, then add the baking soda.
- Once you get as far as you can with mixing with a spoon use your fingers to get the oil perfectly distributed.
- Then lay out your rainbow!
- Grab your spray bottle and let the children see what happens.

Learning Tip:

Explore with your child, ask open ended questions.

Describe what is happening when the vinegar reacts with the dough.

Talk about what they see, smell and hear.
