

Boys & Girls Clubs
of Hamilton
A good place to be

The Boys and Girls Clubs of Hamilton is thrilled to announce the relaunch of some of our in person EarlyON Child and Family Centres, effective Monday September 14th 2020.

As a result of the Covid-19 pandemic, EarlyON's across the City of Hamilton are implementing a reservation model that includes some of the following changes:

- Limited locations, dates and times
- Pre-registration requirements for in-person visits
- A blend of indoor/outdoor and virtual programming
- Increased health & safety protocols (i.e. – screening & cleaning)

At this point in time, due to the Health & Safety protocols, all families will be required to pre-register prior to arrival with a scheduled day and time. Our centres will welcome up to a maximum of 15 people per cohort (including parents/caregivers and children).

HEALTH & SAFETY PROTOCOLS

Here are some of the protocols you can expect prior arrival:

- Families must pre-register for a cohort time slot prior to arrival.
- Masks will be mandatory for parents & caregivers.
- Masks are encouraged for children 2-5 years of age, however, not mandatory.
- Increased cleaning protocols will take place before, between and after cohorts to enhance the health & safety of all children and families.
- Physical distancing will be required indoors & outdoors. Please help us ensure we can provide a safe environment for everyone.
