

Boys & Girls Clubs
of Hamilton

October 30th 2020

Dear Community,

Firstly, the Boys and Girls Clubs of Hamilton hopes that you and your family are keeping safe and staying healthy!

After a successful session of our fall registered programs across Hamilton and Burlington, the Boys and Girls Clubs of Hamilton has made the decision to pause operations with respect to our in-person children, youth, and seniors registered programming effective today (Friday, October 30th, 2020). We will continue to offer our licensed child care, EarlyOn, Let's Get Moving and some outdoor programming in person.

As such, the Boys and Girls Clubs of Hamilton recognizes that these are unprecedented times and there are still needs for programming in the priority communities we serve. The Boys and Girls Clubs of Hamilton are thrilled to announce that many of our programs are moving forward virtually.

The health and safety of our members and staff team will always be our number one priority. We are happy to continue to announce that the Boys and Girls Clubs of Hamilton has had no positive COVID-19 cases.

This was not an easy decision to make and was not one we made lightly; it was a decision made by our senior staff team who are continuing to closely monitor COVID-19 with respect to surrounding neighbouring cities and regions and ongoing closures/restrictions.

Any additional information and updates will be shared on our social media platforms and our website:

Thank you, in advance, for keeping our communities safe!

If you have any questions, comments, or concerns, please do not hesitate to contact the Club.

Be well.
