November 20<sup>th</sup> 2020

Dear Parents/Caregivers,

The City of Hamilton has recently announced the closure of “in-person” indoor programs provided by EarlyON Child and Family Centres, effective Monday November 23, 2020.

This very difficult decision comes as a result of our city moving into the red zone earlier this week. More importantly, in consultation with Public Health, we are ensuring that the highest level of Health and Safety measures are in place for everyone.

In support of this decision, our agency has creatively revised our program schedule for the Ellis EarlyON Child and Family Centre as indicated in the Ellis calendar.

Your continued commitment to and participation in our EarlyOn programs is invaluable to us as we continue to navigate this pandemic together. Parent and caregiver feedback and suggestions are welcome and assist us greatly in quality program development.

Many thanks for your continued patience and support of our agency.

For more information, you're welcome to contact Boys & Girls Clubs of Hamilton at 905-549-2814 ext. 221.

Sincerely,

Joanne Mullen  
Supervisor, EarlyON Child and Family Centres
